## **Saving You Time and Money with Innovative Medical Transcription Technology from Nick Incorporated**

### **Who we are and what we offer:**

Nick Inc. is a locally owned company that specializes in providing physicians and medical professionals medical transcription health information management for a multiple of medical fields. Nick, Inc. operates an innovative digital system that is available to health professionals 24 hours a day and brings them accurate reports within 24 hours of dictation.

With many years of experience in the medical industry, Neelum Moondra began Nick Inc. to assist medical professionals with their transcription needs. Nick Inc. holds accuracy, HIPPA compliance, and their well advertised 24 hour turnaround time as their top priorities. Nick Inc. offers a high quality medical transcription service at cost competitive rates.

Nick Inc. offers transcription for most aspects of medical communication from everyday SOAP and diagnostic procedures notes to letters, medical histories, physicals, and insurance related correspondence including IME's and peer reviews. STAT dictation is offered with a 9 hour turnaround time.

### **How it works:**

Nick Inc. provides a customized toll free phone system to each client that supports the dictation. "All you need is a phone to use our state-of-the-art direct dictation system." Explains Moondra. The dictation is processed by an experienced medical transcriptionist who will return the transcribed report to the client within 24 hours.

Reports can arrive to pre-specified locations via electronic delivery, hand delivery, or fax. Nick Inc.

normally exceeds HIPPA requirements and is more than 99% accurate. If corrections are ever required they are performed at no additional charge. Nick Inc. gives each client detailed usage reports and negotiates fair contracts that ensure competitive prices with low initial investment.

### **Guaranteed Integrity:**

Nick Inc. guarantees confidentiality and works within strict encryption protocol guidelines. Our constant commitment to quality demands that our equipment is continually upgraded and will always be on the cutting edge of new technologies ensuring precision accuracy and easily archived reports.

Need properly transcribed reports? Why pay the higher prices of a full-time employee or make the lengthy time commitment to train a computer to recognize your voice? Don't have the large initial investment cost to buy the technology needed? Cut through the red tape and call Nick Inc. today.
